OFFER FOR SUPPLY OF CHEVERTON 6 METRE CHAMP OPEN GRP LAUNCH

STANDARD BOAT:

Hull and Deck

One piece heavy duty 3kg/m² GRP hull and ringdeck moulding with thickness increased at keel, stem and gunwhales. GRP moulded engine bearers with steel tapping plates. GRP longitudinal and transverse bottom stiffeners. 18mm marine ply floor sealed on underside with resin and overlaid with 1.8kg /m² GRP laminate.

Bulkheads and Seats

GRP bow bulkhead / seat with locker and shelf. GRP aft bulkhead / seat housing fuel tank with hinged lid over. 18mm ply stiffening under both seats. GRP moulded engine box with fixed bottom part and hinged top part. Painted ply lift out panels to forward and aft lockers. Full Length Port and Starboard Side Seats moulded in GRP.

Engine

16 hp Beta 599 cc, 2 cylinder, inboard diesel engine with heat exchanger and header tank, water cooled exhaust manifold, fresh and sea water pumps, cast injection bend, mechanical fuel lift pump, fuel and oil filters, sump pump, 12 volt starter, 40 amp alternator, stop solenoid, control panel with keystart, push button stop, warning lights and alarm buzzer for low oil pressure, high water temperature, no charge, and power on. Gearbox with 2:1 reduction, flexible mounts, engine test certificate, operators manual.

Propeller and Shaft

3-blade fixed pitch bronze propeller on 1¼ ins diameter x 1.67m long stainless steel shaft in GRP sterntube with rubber cutless bearing outer end and traditional greased packing gland inboard. Flexible disc coupling connection to gearbox output flange.

Fuel System

42 litre rigid plastic fuel tank with filler, vent, supply and return connections. Deck filler plate and breather fitting, fuel hoses in fire resistant flexible rubber. Water separator / filter.

Engine Cooling, Exhaust, Controls, Electrics

Seacock and strainer with fire resistant hose connection to engine seawater pump. Sea water cooling connection to sterntube. Water cooled rubber exhaust hose with water trap, swan neck and transom discharge skin fitting with flap. Single lever control head on aft bulkhead with flexible push / pull cables to engine. Push button stop control on engine box. Single start battery on shelf forward of engine with ignition panel on engine box.

Bilge Pumping

Whale Gusher Titan manual pump on aft bulkhead with flexible suction and discharge hoses to plastic skin fitting port aft.

Hull and Deck Fittings

D section black rubber fender round deck edge. 1 x heavy duty stainless steel mooring bollard forward and 2 aft. Stainless steel stemhead roller fitting. Painted pine floorboards forward and aft of engine. 1 x disc anode on rudder blade. Non-slip deck paint to foredeck, aft deck and sideck boarding area. Bottomsides primed and antifouled red. 10kg Brittany or similar anchor, 10m galvanised chain and 20m x anchor rope. 2 Mooring Warps.

Loading
